

**IN SITU** place-based innovation of cultural and creative industries in non-urban areas

# SPEAK OUT! GORT

You are invited to a Speak Out session hosted by UrbanLab Galway where citizens present key issues and concerns about local development and discuss the future of Galway and the wider region. The Speak Outs serve to identify place-based problems and explore solutions through creative practice. Let's hear what you have to say; how can we creatively engage in making a better place? Share your thoughts, if you wish to present, contact Urbanlab Galway via email at [unrbanlab@universityofgalway.ie](mailto:unrbanlab@universityofgalway.ie)
