INTRODUCTION

Welcome to the NUI Galway Media Directory which is designed to give those working in the media an overview of the extent of expertise available in the University.

The directory lists staff who are willing, when possible, to speak on their area of specialisation. They and their contact numbers are listed by their College, School or Research Institute in alphabetical order.

Staff willing to be interviewed 'as Gaeilge' are identified by the letter G following their names.

Please be advised that statements made by staff are informed comments on the area which they have expertise. Unless it is specifically stated otherwise, they are not speaking on behalf of the University. Requests for University endorsed statements should be made to the Marketing and Communications Office.

For further press queries please contact the Marketing and Communications Office at 091- 493361 or email michelle.nichroinin@nuigalway.ie

Michelle Ní Chróinín
Press Officer

HOW TO USE THE MEDIA DIRECTORY

The NUI Galway Media Directory is structured like an A4 publication so you can stroll through it sequentially from page to page using the normal scroll bars and arrow keys. However, the Directory has additional navigation links to make it easier to use on screen.

The alphabetical bar which runs along the top of each page are clickable links to reach areas starting with specific letters. Simply click on the desired letter and it will allow you to go direct to the specific field of expertise. Individual entries in the index (page 2 and 3) are also clickable links which allow you to skip directly to that specific area.

FACTS & FIGURES

ABOUT NUI GALWAY

NUI Galway is one of Ireland's foremost centres of academic excellence. Over 17,000 students undertake an extensive range of degrees and diplomas at the University, which is renowned for the quality of its graduates.

NUI Galway is a research-led University with internationally recognised expertise in areas including Biomedical Science and Engineering, Web Science, Human Rights, Marine Science, Energy and Environmental Science, Applied Social Sciences and Public Policy, and Humanities, in particular literature, theatre and Irish Studies.

The University's official title is National University of Ireland, Galway. Please note that the only official abbreviation is NUI Galway.

STUDENT NUMBERS (2010-2011)

NUI Galway has a total of 17,245 students, of whom 3,757 are postgraduate students.

ACADEMIC STRUCTURES

The University is comprised of
College of Arts, Social Sciences and Celtic Studies
College of Business, Public Policy and Law
College of Engineering and Informatics
College of Medicine, Nursing and Health Studies
College of Science

STAFF NUMBERS

The University employs over 2,500 staff members

ALUMNI

The University has 80,000 alumni

CLUBS & SOCIETIES

NUI Galway has 85 active societies and 45 clubs

MAJOR SOURCES OF EU STUDENTS

UK, France, Spain, Germany, Italy, Poland, Belgium and the Netherlands

MAJOR SOURCES OF NON-EU STUDENTS

U.S.A., Canada, Malaysia, India and China
